

vignaiuoli
TOTI

Friulano is one of the leading lights of viticulture in the Colli Orientali del Friuli. An elegant wine with a straw-yellow hue, flecked with green highlights when young. The intense nose is reminiscent of spring flowers and acacia blossom with a delicate aroma of almonds. Full-bodied, dry and attractively balanced, the palate is soft and velvety. Excellent as an aperitif, it is also an outstanding accompaniment for starters, soups and white meats.

Serve at a temperature of no more than 12°C.
