

vignaiuoli  
TOTI

A great, full-bodied wine with a lustrous ruby red hue that shades into garnet with bottle ageing. Intense and full on the nose, with a distinct note of raspberries when young. On maturing in the cellar, it acquires a dry palate with an appealing grassy note. Ideal for white and red meats, especially rabbit and poultry, as well as roasts and semi-mature cheeses. Serve at around 18°C.
