

vignaiuoli
TOTI

Pinot Grigio vinified "in bianco" (which means that no skin contact is allowed) is a stylish, elegant wine. Its yellow colour has a faint tinge of amber. The remarkably concentrated, persistent nose has overtones of acacia blossom. Fruity on the palate when young, it acquires attractively bitterish notes of sun-dried hay as it matures.

Pinot Grigio, too, is a fine accompaniment for starters, soups, white meats and egg or fish-based dishes. Serve cooled at 10-12°C.
