

vignaiuoli  
TOTI

A native Friulian grape variety that yields an intense, violet-tinged, garnet-red wine. Intense and fruity on the nose, with notes of raspberry and bramble. Long maceration confers generous acidity and tannins, giving the wine sinew and instant appeal. In the cellar, it acquires a delicious, slightly bitterish note in the finish. A superb accompaniment for fatty meat, sausage, stuffed pork meat and all the more strongly flavoured dishes of the Friulian kitchen.
