TOTI

A gold-flecked straw-yellow in the glass, with an intense nose redolent of yellow peppers, melon and banana. Stylish and elegantly aromatic. Dry on the palate, with a faintly bitter finish, yet gentle, yielding and velvet-smooth. This is a wine to drink young rather than lay down in the cellar. A fine aperitif but it may also be served with purées, delicate soups and fish cooked in sauce. Serve at 8-10°C.
