

vignaiuoli
TOTI

An outstanding wine that is native to the region. Intense ruby red with violet tinges. The aroma is exceptionally elegant, suggesting raspberry, wild bramble and bilberry. Matures in the cellar to acquire a generously elegant bouquet that offers notes of wild berries and aromatic oak. Schioppettino's fixed acidity and tannins make it ideal for ageing in the bottle, where it reveals all its austere nobility.

Service temperature
16 – 18°C
