

vignaiuoli  
TOTI

Another native Friulian varietal, which was once widely cultivated. A lustrous straw-yellow with golden flecks in the glass. Intense and fruity on the nose, with attractive depth reminiscent of acacia blossom and honey.

Mouth-filling, slightly sweet and faintly tannic, it has plenty of body and a gently bitterish finish that enhances its balance and appeal. A superb dessert wine.

Serve cooled at 8-10°C
